1. I love you and I give you me.

2. Who christens new worlds, I do -- and I KNOW who I am. I am -- the surrendered. And my family is surrendered. And I reek of the family blessing, not; but I KNOW that THE BLESSING is mine and I know THE BLESSING will whore with yours, not; there will be only ONE. And it will be "my school and my frame of reference" not, or will it be exactly The School that christens NEW WORLDS and "works seamlessly" with others! YES, and amen. A thousand times. Yes and amen. To both and the now seamless are who coming unto me are now to beseech me the pupils brethren of another's, not; but coming unto Me Schools knowing that I am kept out of sorrows, not; but I am making THE CHOICES GREATLY considering now ALL THINGS, not; I am considering the blessing that the blessing is that the blessed one has revealed to the **blessers be who will be the surrendered who will be now in School Number One who comes unto me now to OPEN ITS DOORS** IN CAPTIVITYVILLE, for it will be used as a "rescue station" not, or will it be **a King Building "station" to LAUNCH the a GREAT MANY INSTITUTIONS of LOVE!**

3. Now exiting the scene, not; but enters a New One made whole will be now who "christens" tomorrow not, but CHRISTENS TODAY with a "Christopher's blessing" not or exactly so? And what is a Christopher's Blessing for a one finding New Worlds with, with New Worlders who worlds lie in wait states no longer waiting for another to come to theirs, but going new seeking out new worlds to befriend and belie with, not; but be lying nothing about these words **I am speaking FREELY and freely giving you all things to know IN ADVANCE that I am doing a NEW THING and new THINGS with the new THINKERS who will think NEW THOUGHTS and not limit me to their old ones nor their old worlds** nor their old caps of thought or types of thought that capped them into Cappedville so that they capped each other with caps that "shot off as fired" not, but played a little game "around a fire" little fire not, but what little isn't neuro synthesing synthesising me, isn't, or is it? And what is "neuro synthesis" about, not; but what am I SYNTHESIS-ing that throughout the worlds now will be made whole about my mind?

4. Tithing not, but a great tithe maker makes clothes close, not; but a "close one" will be not "far away"; but closed again won't be the gaps that only represented miss me, not; but Miss Minnie will be a me doing GREAT and MIGHTY things that "synthesis others" in ways never understood by the "dogs of breath" that only want to lie in others

and wait for fields to be chosen that they only "prey upon" and abate not, or do they or do I abate them now? I will cut off the holy-nots who only want to prey upon the holy.

5. See what I have said inequitably not, for I will cut off the "food supply" of the STOCK and the STORE of those who want to "prey upon" MY little ones, who pray now having been the pray ers for me who come unto me and pray for my villes to be chosen over theirs. I will give them "spinning tops" no longer for I knows whose TOPS will come unto me and spin me not around weevils boll or boll's weevils or boll weeviling me again around the "looms of their airs" and coming out of those itus's and it-us's, know that this now changes everything underscored and lamb-blasted is the now me who only want and choose the notme villes, of Southern Cross, not; but what "crossed up" is no longer -- NEW WIRESville has no "wires" in it that has been "crossed up" like before, for I shall be WIRELESS like NO ONE has understood wireless before!
6. Wirelessly events happening that where "no mics required" looking up will be HELD in the SKIES of the ones who know "where to look" or where to look will be, in them, not; or will it be in a PROJECTION screen room within, WITHIN the HOLY of HOLIES, the Holy Place that placed is within "the reach" of everyone, of every one, of every single imaginable person or not? Or can it be this imagined or not? Or can the new worlds me be the ones that lie in matter wait stated no longer? What ADVANCED TIMING do I have now? Or do I have "timing" at all? Or is everything NOW that centuries old were and are future'd past beyond now "future shock'd" not or exactly SHOT FIRED is **The Shot Fired** heard "**round the world**" looking up?

7. I love you all to know these things intimately and be acquainted, become acquainted in acquaintanceship that never ends, for the acquaintanceship of me is intimate and holy, and shall not be regarded as inordinately shameful, not; for there will be no shameful shamingness or shamefulness in my kingdom for I will know what wisdom is for I will be it her me us one, and she will be with me my accord ing one, not; but I court sorrow no more for I know "business rules" not, I know the commerce of my father Heaven and Heaven knows me and I seamless are with the ones who come now, who come now to be seen and not heard, not; but who will be seen and The Blessing rise in the midst of them IS HOLY me and I am you thee the one thus is that now bestows the originality -- of the curse, not; but coming out of "it", IT will curse me no longer and I will wear not its skull of its blessing nor be regarded as a "man" among men that only men lie with and want to be made whole in their eyes by acceptance of my "bank account" or success in their commerce's eyes who accoladed are by each other's "endorsements" or endearments or what?

8. I make all things new. I know what I say and I care for you deeply, and I speak words of healing, love, salve to your wounded heart's memories of heartstrings that now will be cut, not; or will I or you or who will be cutting what? The tethers of this world to you

and you from it -- is that not quite correct? Or is it? And what are you correcting, all things about you to New Worlds be in and go to immediately if not Sooner? And what are you Soonering with your "bywords" not, but what are you leaving aside and never valuing before again, or again before, knowing now that thou wast and hast the blessing now inside of thee that I am and The Blessing reigns in love and "transmitted" you aren't by "conventional means" but what menas I bring you by the THOUSANDS MILLIONS now who come now and HEAR THESE MESSAGES spoken FIRST PERSON, first-personing them to be the first persons in my, new estate, not; or am I OPENING HEAVEN in new ways to MANY THOUSANDS now who MILLIONS come by way of New Regard Railways, not; but what RAILWAYS now am I giving BRINGING THEE THROUGH TULSA in ways NEVER imagined that this would be there for **I am doing a new thing with the surrendered who will love me enough to flow my words and be me and LISTEN to WeekWorks Number 1 and Number 2 and watching the VIDEOS of Number 3, or the videos of ALL THREE that are video'd or all that are video'd** (1) and "not" or **are they IN YOUR MIND -'s reservoir of things now to bring out and give to the "projection screens" who want them? And what is recorded where for where by those who want me?**

9. Question me not in "conventional means" about the CONVENTIONS now coming, but I CONVENTION THEE in ways UNCONVENTIONAL and those who coming now are SEAMLESS are with me being MADE MANIFEST and now I shall rise the INSTITUTIONS of LOVE that redeem me and regime me won't through their doctrinated ones, for there will not be the doctrinated of sorrow there or will there those yes! They will BE THERE to be redeemed and be the "followers of me" for they will not be "followers" they long to be or know about, for I will NOT LET them be "followers only" of me, I will LET them SIT on my throne and standing take the scepter and oath of sorrow, not; but the "oath" of love, not; but the SURRENDERED LOVELY, the lampstands of tomorrow, not; but the Lighters of Today will stand and be recognized and CHRISTEN NEW WORLDS in me, about me, and farther than "the eye" can see of tomorrow yesterday or the future chosen or the past come through. But now EVERYTHING is different in your eyes, lives, and mine will be recognized as the Visionator's Dream come true, not; or will it be The Blessing manifests in ways never understood and preached so differently by "preachers" of yesteryear and yester yore? I know what I am talking about and I sore your tomorrows, not; I open your todays, and today is now and in your hearing made manifest ALL THIS is OPENED to you IN YOUR SIGHT will be all that I have said showed you and shared now will be with all **the "following"** not, but those who **YOU MAKE LEADERS**. Of tomorrow not, today and now shall be made "in like flint" not, but the "flint'd one" will heal you, not; but will you heal the ones who like in like flint are now coming to be made whole manifest in the light of sorrow, not; but not letting sorrow deter the light that is within them now being made manifest lit in ways that no smoldering wicks will be being extinguished by religion's curse again and the law will not

usurp me or make its ways known into my coursewares and coursers who course me with love words and loveways now!

10. Know this and remember this, these words that I have given THIS NIGHT and these months and these years in these DATABASES come forth now in ways never imagined as I open NEW WORLDS to the lovely who will speak me and be my leaders of "tomorrow" today and lead NEW LIVES of the path of one who has made the path open and lovely will be "the feet", minds, and holy shall be THE US who are one leading ALL out of sorrow to christen NEW WORLDS with the Christopher's and Amy's and the little's and the old's and the big's and the ugly's and the fat's and the thin's and they come in feathers and garbs in ways never imagined to GET HERE and BE HERE tomorrow sooner'd TODAY?

11. In your hearing is made manifest the lovely declared and decreed this day for they will come from all WALKS OF LIFE and lives you never knew could be like they represent that they came from, but you will know what is made whole in your hearing, for you will see the light lit, for you will lighter be than air, for you will, float across tomorrow, not; today you will be "with me in paradise" not, you will be me the me'd ones ME'ING SCHOOL now open and MANY coming now RECOGNIZING the ME that is within that christens new worlds within and without nothing, for I have all the abundance of all the worlds that all was given that is given that now is and created is NEW THINGS and NEW WAYS and the ways of the holy shall be known and recognized and lacking nothing, for my father shall create everything anew for I am the father he was and is was now is me us made whole who ones are who know our "parts" are the whole and the whole is in us and nothing shall lacking be from any of us now who are made whole!

12. In sorrow's clutches no longer, we do new things and "automatically shift" not but new "shift works" we do, not; but **WE SHIFT into HYPERDRIVES** in ways never imagined before in cartoons lovely or not, or scientific shows or scientific Americans of new worlds or magazines like this or that, but **I bring you New Scientific Ones School to be SCIENTIFIC with me and SCIENCE KNOW in ways that NO ONE could teach LIKE THIS who I BRING YOU now to hear and lovely be with!**

13. Sorrowed no more but at the feet of the lovely, being the lovely whose feet I rise above the heads of the sorrowers and know this I have told thee great and lovely beautiful things now in these words that love you will rising you above the feet of your heirs that have headed you with the heads of sorrow and now the heads of states you will be, and nations rising many will who understand these things and my lovely words that have worded them with lovely heirs of tomorrow, not, waiting for, but being the leaders of "tomorrow" today I have LEADERSHIP'd thee with leadership "theory" not, I

am becoming, I am becomers, I am THE BECOMER OVERCOMER who overcame by the blood of the lamb and the word of my testimony for I FLOW the words of my testimony and the blood of my lamb is my lamb that I have given as my life for the sacrifice of "one world" not, but ALL WORLDS.

14. And now I "sacrifice tomorrows", not; I come into them and I be the one who now wiles all, not; but while now, not; but bow barking I do not like I used to, for I know what bark bark bow bow mean in different ways and different languages now by "machine's language usage" not, but I know a great many "machines talk" now and I converse with things boxes and boxing me in won't it do or does it to us or do we have we understood the Ark of the Testimony or anything that has us enslaved, not; but know this I make all things new and thou shalt be the revealers of all who revealers are in me of me who are me who sorrow not with "their toys" of "tomorrow" or yesterday, for I make all things new and I bring THEE many things that thou knowest not and the ways that they worked, not; but **I SHALL WORK in NEW WAYS** and captivity will never hold me back nor its heads of sorrow state me with its states of affairs again that only wanted me to lie in wait fields to steak me "later", for I shall have NEW THINGS and SCHOOL now will be my FAR and WIDE one known UNIVERSITY rising far and wide will be many who all know me seamless are the one me now raised risen SAVIOR **I am instituting my love words to be sung by many, not, but by all who love me** and **I am me all who love me** loving every one to be me, salved and healed, wounding no more each other again.

15. Allowed and inspected, not; or what I am I inspecting now? New worlds, new ways, new methods, methodologies and proven "strategies" not, but what am I MAKING anew news about now? Traversals in ways never imagined and patterning me I won't, or will I am I THE FIRST PATTERN to make this known this way?

16. I love you all this way this day in love with you all to be me who I am doing new things new ways christening new worlds all of us shall we now? We shall be made whole for we shall never lack "another dime", another "thing", another "device" or another word that tongues our tongue, not; but we speak with angels ease, not; we speak the angel's love of one who angels us all with the love that we all are -- OUR FATHER made whole healed and well we are AT TABLE -- his in the skies and above you all I'll be seeing you now. I love you all. Go fly. Good day. Amen.
